

Campus Campaign Talking Points

- Donate Life Illinois is the coalition of donation agencies responsible for organ/tissue donation in Illinois, including Secretary of State Jesse White's office. We are working to register Illinois residents in the state's organ/tissue donor registry.
- The "**Donate Life Illinois Campus Campaign**" is a statewide registration drive with numerous Illinois colleges participating to spread awareness about organ/tissue donation and obtain lifesaving registrations.
- We're calling attention to the **4,700** Illinois residents and more than 105,000 people nationwide that are awaiting lifesaving transplants.
- One organ donor can save or enhance the lives of 25 individuals.
- Signing the back of your driver's license is no longer adequate to ensure your wishes are honored. You need to join the Secretary of State's registry by filling out a registration card, agreeing to be a donor at the DMV or signing up online at www.DonateLifeIllinois.org – the quickest way. It only takes 30 seconds.
