### October 21, 2007 - Organ Donation

Organ Donation

Beyond Sports hosts Hannah and Artie discussed the new Illinois Organ Donor registry, and the need to re-register. Due to the need for a new, more definitive registry, all organ donors in Illinois must re-register, even if they have already signed the back of their driver's license. Hannah and Artie were joined by a representative from Gift of Hope to discuss the new registry and explain more about organ donation.
